

Abraham Sintayehu

Web Developer

Jigjiga, Somali Region, Ethiopia | abrahamsintayehu70@gmail.com | +251 970 838 571

Summary

Computer Science student and self-taught web developer building a foundation in HTML, CSS, JavaScript, React, Node.js, and MySQL. Passionate about building clean, responsive websites and applications, and currently seeking freelance opportunities to apply and grow these skills.

Skills

HTML • CSS • JavaScript • Git & GitHub • Responsive Web Design • UI/UX Basics • React (learning) • Node.js (learning) • MySQL (learning)

Projects

Personal Portfolio Website

Designed and built a responsive personal portfolio using HTML, CSS, and JavaScript, featuring animated typing effects, a services overview, skills breakdown, and a working contact form.

To-Do List App

Built an interactive to-do list application in vanilla JavaScript. Supports adding tasks, marking them complete, and deleting them, with a clean responsive interface.

Education

Jigjiga University — B.Sc. in Computer Science

Studying programming, databases, and software development.

Self-Directed Web Development Study — 2026 to Present

Structured 12-week study plan covering HTML, CSS, JavaScript, React, Node.js, MySQL, and Git.
